## EXPERIENCE

### Station Agent

2019 – 2021

Airspeed International ( FedEx )

- System Monitoring – I communicate with the courier if there's a changes in protocol, and with the agreement of customer service of FedEx and Consignee
- Data Encoding and Reporting – Finalizing all the data of deliveries and pick – up of the couriers and check it in the system if there's a missed scanning and put it manually to the system then report it through email.
- Truck Dispatcher – Dispatching truck shuttle service of the shipment going to Clark Pampanga.

### IT /Tech Support (intern / OJT)

2023

Jacobo Z Gonzales Memorial School of Art and Trades

I served as an IT/Tech Support Intern at JZGMSAT, where I gained hands-on experience in providing comprehensive technical support to end-users. Throughout my internship, I excelled in troubleshooting hardware and software issues, ensuring prompt issue resolution and a positive user experience. I participated in the installation, configuration, and maintenance of hardware and software systems, optimizing overall system performance. I also played a key role in a unique project where I helped students with their school projects to build a miniature house featuring automatic features such as lights, gate, and air conditioning, controlled through an Arduino-based system and a mobile app.

### SK Kagawad

2018- 2023

As Sangguniang Kabataan (SK) Kagawad in Brgy. Soro-soro, Binan, Laguna. I actively engaged in local governance, representing the youth sector and advocating for their needs. Collaborating with fellow SK officials, I spearheaded initiatives aimed at community development, organized events fostering unity, and served as a bridge between youth and barangay officials, effectively communicating concerns and proposals. My term showcased strong leadership, communication, and organizational abilities in addressing community issues and advancing youth empowerment.
